### Another Successful Smoky Mountain Classic

The 44th annual Smoky Mountain Classic was a big success in spite of difficult weather challenges. Resmondo retained the title of Classic Champions for the 5th year in a row. Parks & Rec would like to say a big thank you to Denso for coming through at the last minute to offer the use of the company's fields when the rain made other fields originally scheduled unusable. The Denso staff went above and beyond to welcome the Classic and make preparations in a short time. There was great positive response from the players for the use of the Denso facilities.

Thanks also goes to Rubbermaid for donating items which facilitated the moving of bats from one field to another much easier for the Parks & Rec Staff. Another big thank you goes to the Parks & Rec Maintenance Staff who also went above and beyond to keep the fields playable after the frequent rains.

### Parks & Rec Staff News

Sandie Nuttall, Office Assistant at the Senior Center, will be retiring this month. We regret to say good bye to Sandie, but we all send her best wishes for many happy and healthy retirement years to come.

John Trembley has been hired to replace Sandie as Office Assistant. Parks & Rec welcomes John as he becomes part of our team and Senior Center staff.

The senior adults will also notice another new face around the Senior Center during open hours. John Cacyuk, Senior Center Custodian, will now be working while the center is open during the day rather than his previous evening hours.

We also welcome James Chapman as the new Custodian at Everett Recreation Center. James will also be helping out as needed at Springbrook Recreation
